Article 1 -- RECOGNITION

The Parkland Education Association, hereinafter called the "Association," is hereby recognized by the Parkland School District, hereinafter called "Employer," as the exclusive and sole certified bargaining agent for all members of the bargaining unit, hereinafter called "Members." These "Members" shall also include substitutes for a temporary vacancy who are hired by the Employer for a period intended to last at least ninety (90) days or more. However, benefits for substitutes for a temporary vacancy are specified in Article 29.

1 **Article 2 – TERM**

2 The term of this Agreement shall begin on September 1, 2019, and shall continue in full
3 force and effect until August 31, 2022.

Article 3 – CALENDAR

For the term of this Agreement, the number of teacher days for all Members, except those newly hired, shall not exceed 190 days.

For newly hired Members, the number of teacher days in the year hired shall not exceed 198 days.

Members shall not be required to attend school when all the schools of the Employer are closed and students are told not to report for classes because of inclement weather. These days may be made up at the discretion of the Board, and Members shall be required to attend as part of the contracted days.

Employer is keenly aware of the importance of providing ongoing professional development opportunities for staff Members. Consistent with this belief, the Employer provides an extensive array of professional offerings throughout each school year. During the term of this Agreement, Members who participate in and earn professional development credit hours through the Parkland Academy in excess of the required annual hours may accumulate the hours from year to year. The accumulated hours may be used to satisfy the requirement for additional professional development hours assigned by the Employer due to weather-related or other situations that occur because of changes made to the school calendar.

Employer agrees that accumulated hours may carry over from the expired predecessor Collective Bargaining Agreement into this Contract, but the carryover may only be used due to weather-related or other situations that occur because of school calendar changes.

Article 4 – SCHOOL DAY

The length of the school day shall not exceed 7-1/3 hours, including lunch, unless circumstances arise which are beyond the control of the Employer and which necessitate a lengthening of the school day.

In addition, all Members covered by this Contract may be required, without additional compensation, to spend no more than nineteen (19) hours per school term, as directed by the Employer, for activities such as faculty meetings, open houses, and parent-teacher conferences.

1 **Article 5 – NOTIFICATION OF TEACHING ASSIGNMENT**

2 All Members shall be given a written notice of their tentative teaching assignment for the
3 forthcoming year, not later than August 1, preceding the start of the contract year.

Article 6 – EVALUATION OF STUDENTS

The Member shall maintain the responsibility for grading students. It shall also be the Member's responsibility to maintain adequate records of students' grades. No subject grade will be changed without the consent of the Member.

Members shall explain their grades and attend a conference, arranged at a mutually agreeable time, between the principal, the guidance counselor, and the parent or guardian.

Article 7 – POSTING OF VACANCIES

All full- or part-time professional vacancies, covered by Exhibit “A,” shall be advertised by email to all Members at least five (5) business days in advance of the deadline for application and by posting the following information on the Employer’s intranet system, with a copy to the Association President:

1. job title
2. qualifications
3. salary range, when available
4. procedure for application
5. time limit for applications

Vacancies covered by Exhibits “B”, “C” and “D” will be advertised under any one of the following circumstances:

1. when an incumbent vacates the position for any reason; or
2. when the Employer elects to create a vacancy in the position by not appointing or reappointing an incumbent.

Under such circumstances, such vacancies shall be advertised by email to all Members at least five (5) business days in advance of the deadline for application and by posting the following information on the Employer’s intranet system, with a copy to the Association President:

1. Extra duty contract title.
2. Qualifications.
3. Compensation.
4. Procedure for application.
5. Time limit for application.

Postings shall be required only for positions which are available for one full semester or more. Postings shall not be required when the person who previously held the position has not given sixty (60) days of written notification to the Employer. Postings for newly created positions will be posted for ten (10) days.

Article 8 – TRANSFERS

Transfer shall be defined as a change in assignment in area of certification or building.

Any Member may, in writing, request a transfer to a vacancy. Interested Members must apply within ten (10) calendar days (newly created positions) or five (5) calendar days (existing positions) after said posting. No vacancy shall be filled prior to the end of the ten (10) days or five (5) days as described above.

On or before March 1, a request for transfer to another assignment for the following school year shall be made in writing, each year, to the Superintendent, with a copy to the principal of the building where a vacancy may exist. The request shall include the reasons for requesting the transfer. Qualified Members who request a transfer shall be given first consideration.

Requests by a Member for a transfer to a position different from the Member's current assignment shall be given a written reply by the Assistant Superintendent.

Any involuntary transfer or assignment shall be made only after a meeting between the Member involved and the Assistant Superintendent, at which time the Member shall be notified of the reason for the transfer. An involuntary transfer or reassignment shall be made only if there are no qualified applicants employed by Employer who are acceptable to the Employer's program needs. In the event that a Member objects to the transfer or assignment, the Member may request a meeting with the Superintendent. Notice of an involuntary transfer shall be given to the Member by August 1, except in the case of an unexpected or unavoidable termination of employment, leaves of absence, or unanticipated enrollment changes. Seniority will be considered, but will not be the sole criterion for selection.

1 The selection of personnel to fill a vacancy shall be made at the Employer's discretion and
2 shall not be subject to the grievance procedure. Such selection will be determined in the best
3 interest of the educational program of the Employer.

4 The procedure of Member transfer shall be subject to the grievance procedure.

1 **Article 9 – RESIDENCY**

2 Residency of Members shall not be a condition of employment or advancement with the
3 Employer.

1 **Article 10 – NON-DISCRIMINATION IN PROGRAMS AND**
2 **EMPLOYMENT POLICY**

3 The Employer is an equal opportunity employer and does not discriminate on the basis of
4 race, color, religion, national origin, age, marital status, sex, sexual orientation, or non-relevant
5 disability in activities, programs, or employment practices.

6 To make inquiries concerning this policy or for information regarding civil rights or
7 grievance procedures, contact the Employer equal rights officer, Assistant Superintendent,
8 Parkland School District, 1210 Springhouse Road, Allentown, PA at 610-351-5505.

Article 11 – OBSERVATION AND EVALUATION OF MEMBERS

All observations of the work performance of the Member shall be done openly. Prior notification of an observation by an administrative/supervisory staff Member shall be given when a teacher effectiveness observation is being conducted, but no prior notification will be necessary in the case of differentiated supervision observations. In the case of a teacher effectiveness observation, there will be good faith attempts made to mutually agree upon the time of the teacher effectiveness observation. Within seven (7) school days of the observation, the supervisor or administrator shall discuss the observation results with the Member and present the Member with a written copy of the same observation results. The file copy shall be signed by the Member as having been received. Evaluations of temporary professional and professional employees will use a form authorized pursuant to Act 82 of 2012. The Member may opt to attach comments in a separate document to the Employer Pennsylvania Classroom Teacher Rating Form as specified by the Commonwealth of Pennsylvania.

Article 12 – JUST CAUSE

Members shall not be disciplined, reprimanded, demoted, or discharged without just cause, except that the discharge provision of this article shall exclude Members who have not been granted tenure.

Any disciplinary action by administrators shall not be administered in the presence of students. Any disciplinary action by administrators shall not be administered in the presence of another Member, unless the accompanying Member is an officer or building representative of the Association. The proscription against disciplining Members in the presence of others shall not apply in the event of a disciplinary hearing or in a situation where the Employer's Board is required to legally take disciplinary action against a Member.

In discharge cases, any grievance filed must be accompanied by a notarized statement from the Member(s) that he/she will proceed exclusively through the steps of the grievance procedure.

Article 13 – REQUIRED MEETINGS OR HEARINGS

Whenever any Member is required by law to appear before the Board of School Directors concerning the continuation of his/her employment, the Member shall have the option of having an Association representative and/or legal counsel present to advise the Member during such a meeting.

Article 14 – PREPARATION TIME

Teachers in grades K-5 will receive one uninterrupted 45 minute prep period 7 out of 8 days and one uninterrupted 45 minute data planning period 1 out of 8 days.

Teachers in grades K-5 will receive one uninterrupted 15 minute block of time attached to their lunch period 8 out of 8 days.

If half-day Kindergarten is offered by the Employer, Kindergarten Teachers will continue to receive two 30 minute blocks of uninterrupted prep time 7 out of 8 days and two 30 minute blocks of uninterrupted data planning periods 1 out of 8 days.

Special Education Teachers will receive one 35 minute blocks of uninterrupted prep time 8 out of 8 days and one 20 minute block of uninterrupted prep time in the am or pm 8 out of 8 days.

The above is based on a 4 day cycle. When cycles are interrupted by early dismissal, late start, emergency and in-service days, or during cycles when scheduled special programs or extenuating circumstances make it impractical to schedule the allotted Prep/Data time for that cycle, the Prep/Data time will be prorated for that cycle.

Total minutes of uninterrupted Prep-time in an 8 day cycle:

Grades K-5 = 435; Special Subject = 280; Special Ed. = 440; Special Subject Teachers, Guidance Counselors, and Nurses assigned to Elementary Schools receive 35 minutes, at a minimum, of uninterrupted prep time 8 out of 8 days.

When daily schedules are interrupted by early dismissal, late start, emergency, and in-service days, or during cycles when scheduled special programs or extenuating circumstances make it impractical to schedule the allotted Prep time for that cycle, the Prep Time will be prorated for that cycle.

1 A. Full-time middle school and senior high school classroom teachers, special subject
2 teachers, special education teachers, guidance counselors and nurses will be provided with
3 preparation periods under the same conditions as outlined under Section 1. For the middle schools
4 (Grades 6-8), five (5) preparation periods per week and a minimum of one (1) uninterrupted team
5 meeting will be provided. Any uninterrupted team meeting will be in addition to the guaranteed
6 preparation time specified above. For the high school (Grades 9-12), a minimum of seven (7)
7 preparation periods per calendar week will be provided.

8 B. Part-time teachers who are employed 50% of the school day or more at the
9 elementary level, or three (3) periods a day or more at the secondary level, shall have preparation
10 time/periods prorated according to their approved schedule.

11 C. Qualifying teachers who are not provided with preparation time as outlined in
12 Sections 1, 2, or 3 above, will be provided with a form to complete and file with the principal that
13 indicates the amount of time not provided, and the Member will be provided with compensatory
14 preparation time to be spent in the school(s) to which they are assigned.

15 Preparation time shall be defined as time spent on planning classroom lessons, correcting
16 student work, developing classroom activities, displays or other educational or student-related
17 activities within the school setting. This time may also be used at the teacher's discretion for team,
18 department, or other school-related meetings in the building.

1 **Article 15 – HORIZONTAL SALARY SCHEDULE ADVANCEMENT**

2 A. Banked Credits – For the purposes of this Collective Bargaining Agreement,
3 banked credits constitute Superintendent-approved courses that have not been applied for column
4 movement.

5 Notwithstanding the foregoing, Members will have the opportunity for utilizing banked
6 credits for application for horizontal movement. In the event they do not use banked credits from
7 Fresno or Antioch for application for horizontal movement on or before January 31, 2016, such
8 Members would lose such banked credits earned at Fresno or Antioch.

Payment shall be made three times during the contract year: In October (for courses completed in the summer); in January (for courses completed in the first semester); and in June (for courses completed in the second semester), providing the Member has received a grade of "B" or better. To be eligible for reimbursement, the Member shall submit, by the first business day of the month of requested reimbursement, a copy of the paid bill, as verified by the college or university, and evidence of the grade.

1 F. No reimbursement will be made to a Member not under contract to the Employer
2 on October 1 of the year during which reimbursement is due unless the Member has been
3 suspended (furloughed) and has not been notified prior to receiving written approval for the
4 course(s).

5 G. A Part-time Member will be eligible for tuition reimbursement. (See Article 30.)

6 H. Whenever a Member has received tuition reimbursement for coursework, the
7 Member will have an obligation to repay to the Employer fifty percent (50%) of the reimbursement

9 calendar year from the date of completion of the course(s) or repay twenty-five percent (25%) of
10 the reimbursement that was paid if terminating employment within two (2) calendar years from

11 2. Use of three (3) or more consecutive days — five (5) working days in
12 advance of the dates of intended use. This notification requirement may be
13 adjusted if an emergency situation makes it impossible for the Member to

13 upon a methodology determined by the Employer's Business Office. After the two (2) year period,
14 Members may apply for a one year leave of absence without pay or benefits within thirty (30) days

A furloughed Member enrolled in a college program during the period of suspension and who is recalled shall be given the option of delaying his/her return to service until the end of the current semester.

1 Suspended Members must annually, at the anniversary date of the suspension, report to the
2 Superintendent's office, in writing, his/her current address and his/her intent to accept the same or
3 similar position when offered. It shall be the responsibility of the suspended Member to notify the
4 Superintendent's office, in writing, of any address change.

5 Members who are suspended will be given the opportunity to place their name on the
6 approved day-to-day substitute list and when used as a substitute, will be compensated at the
7 approved daily substitute rate. Suspended Members may substitute in a teaching position within
8 their area of certification or outside the area of their certification when a certified substitute cannot
9 be secured by the Employer, providing that there is no violation of the Professional Personnel
10 Certification and Staffing Policies and Guidelines of the Pennsylvania Department of Education,
11 as may be amended.

12 In the event that any provision of this seniority and recall article shall be in conflict with
13 any provision of the School Laws of Pennsylvania, as the same may be amended from time to
14 time, the School Laws shall prevail.

Article 36 – FAIR SHARE

A. Any Member covered by this Agreement who is a member of the Association, or who joins the Association during the term of this Agreement, shall remain a member of the Association for the duration of this Agreement, provided that any such Member may resign from the Association during a period of fifteen (15) days prior to the expiration of this Agreement.

B. Any Member covered by this Agreement who is not a member of the Association shall be required to pay to the Association an amount equal to the fair share fee as defined in Act 84 of 1988. It is understood that the Employer's function for fair share collection shall be entirely ministerial.

C. Notwithstanding the provisions of Section 1 and 2 above, any Member covered by this Agreement who is a member of and adheres to the established and traditional tenets or teachings of a bona fide religious body or sect which has historically held conscientious objections to joining or financially supporting labor organizations shall not be required to join or financially support the union; provided, however, that each such Member shall be required to pay, in lieu of a fair share fee to the union, a sum equal to the fair share fee to any of the following non-religious charitable organizations which are exempt from taxation under Section 501(c) (3) of the Internal Revenue Code:

A list of five (5) charities is on file with the Employer and the Association.

D. In the event of any dispute whatsoever over the provisions of this Article or the compliance by any person or party with the requirements of this Article, the dispute shall be resolved in accordance with the applicable provisions of Act 84 of 1988.

E. The Association shall indemnify and save the Employer harmless from all claims, suits, judgments, including legal fees, costs and expenses or from other forms of liability resulting

1 from the Employer's compliance with this Article. The Association and the Employer agree to
2 comply with all requirements of law relevant to agency shop/fair share. Copies of all reports or
3 documents filed with the Secretary of Labor and Industry pursuant to agency shop law shall
4 simultaneously be given to the Secretary of the Employer's Board of School Directors.

5 F. In the event that any part of this provision is contrary to the provisions of law, then
6 only that part of this provision shall be stricken from this Agreement and in all other respects this
7 Agreement shall be valid and continue in full force, effect and operation. The parties acknowledge
8 and agree that this fair share fee provision as of June 27, 2018, is no longer enforceable as the
9 result of the United States Supreme Court decision in *Janus v. American Federation of State,*
10 *County, and Municipal Employees, Council 31.*

1 **Article 37– GRIEVANCE PROCEDURE**

2 The parties of this Agreement agree that an orderly and expeditious resolution of
3 grievances arising out of the interpretation of the terms of this Agreement will provide for a four-
4 step process which is described in the following paragraphs:

5 A. Step I: The Member, Members, or Association initiating the alleged grievance shall
6 present the grievance, in writing, to the building principal within twenty (20) school days of its
7 occurrence. The building principal shall reply to the grievance, in writing, within twenty (20 school
8 days after initial presentation of the grievance.

9 B. Step II: If the action in Step I fails to resolve the grievance to the satisfaction of the
10 affected parties, the grievance shall be referred to the Superintendent, within fourteen (14) school
11 days, unless dropped by the grievant. The Superintendent shall respond in writing within fourteen
12 (14) school days.

13 C. Step III: If the action in Step II above fails to resolve the grievance to the
14 satisfaction of the affected parties, the grievance shall be referred to the Employer’s Board of
15 School Directors within thirty (30) calendar days, unless the parties mutually agree to conduct a
16 Step III grievance hearing. In either event, the Employer’s school board shall respond in writing
17 within six (6) school days after the next regular Employer’s school board meeting.

18 D. Step IV: If the action in Step III above fails to resolve the grievance to the
19 satisfaction of the affected parties, the Association shall have the option of referring the grievance
20 to binding arbitration as provided in Section 903 of the Act.

21 If the grievance fails to meet the criteria of Section 903 of the Act, the decision of the
22 Employer’s school board shall be final.

1 Failure of an administrator to respond to a grievance shall move the grievance to the next
2 step. Failure on the part of the Member or Association to respond to the appropriate administrator
3 shall make the grievance void with the right reserved by the Member or the Association to refile
4 the grievance.

5 Grievances may be filed during the summer months, after the regular school term, as
6 defined by the Employer's calendar. However, the number of days specified above for the filing
7 of and replies to the grievance shall include only weekdays and shall exclude holidays and
8 weekends.

9 Grievances are to be filed on the appropriate forms developed by the Employer and the
10 Association.

11 The Association may submit a grievance in writing which affects a group of Members to
12 the Superintendent, providing the affected aggrieved person(s) is a party to the action. The
13 Superintendent shall have fourteen (14) school days to respond to a group grievance.

Article 38 – COMPLETE AGREEMENT

The parties acknowledge that, during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understanding and agreements were arrived at by the parties after the exercise of that right and opportunity set forth in this Agreement which represents the complete agreement of both parties.

If any article or provision of this contract is in conflict with any provision of The School Laws of Pennsylvania as may be amended from time to time or any other state or federal statute, these laws shall prevail.

Article 39 – WAIVER CLAUSE

Each party to this Agreement hereby waives the right to require the other party to negotiate concerning wages, hours, and other terms and conditions of employment during the term of this Agreement.

Article 40 – DUTIES FOR TRAVELING TEACHERS

Members traveling between buildings during the school year as part of their work schedule to buildings during the school day shall receive 30 minutes of travel time. This 30 minutes of time will not be included as preparation time or as part of a Member's duty-free lunch. The 30 minutes will be considered part of the contracted 7 1/3 hours work day as detailed in Article 4, except when daily schedules are interrupted by early dismissal, late start, emergency, and in-service days, or during days when special programs or extenuating circumstances make it impractical to schedule the allotted travel time for that day and thus travel time may be abbreviated.

MEMORANDUM OF UNDERSTANDING

RETIREMENT PROGRAM

The parties recognize the questions surrounding the legality of the provisions of Article 28 — RETIREMENT BENEFIT, concerning the medical benefit cutoff age of sixty-five (65). Should either party determine that the legality of this provision requires the current language to be modified, that party shall be entitled to require the other party to bargain appropriate changes. Any such request to bargain will not constitute a reopening of any other provision of the collective bargaining agreement. If the parties are unable to agree on a revision, the dispute will be submitted to binding arbitration as provided by Article 903 of the Act.

MEMORANDUM OF UNDERSTANDING

ALTERNATIVE MEDICAL COVERAGE

During the term of the contract, the Employer and the Association shall jointly review the offering of alternative plans for medical coverage provided under Article 25 of the Agreement. Any such alternative plan(s) offered to Members shall be done on a voluntary basis, without any additional cost to the Member, and after joint review and consent of the parties, which shall not be unreasonably withheld by either party.

1 **MEMORANDUM OF UNDERSTANDING**

2 **UNSATISFACTORY RATING**

3 This Memorandum of Intent is to confirm the intention of the parties with regard to the
4 issuance of an unsatisfactory rating.

5 1. It is agreed that this Memorandum only allows an unsatisfactory rating which
6 results in no gain in salary to be grieved. Any other unsatisfactory rating shall not be subject to the
7 grievance procedure unless the Collective Bargaining Agreement otherwise permits unsatisfactory
8 ratings to be grieved.

9 2. It is agreed that it is only the year-end unsatisfactory rating that can cause no gain
10 in salary to occur. Accordingly an unsatisfactory rating in the middle of the school year or a
11 satisfactory rating in the middle of a school year after an unsatisfactory rating cannot affect salary
12 levels.

13 3. It is agreed that the salary adjustment for anyone who has received an unsatisfactory
14 rating and then receives a satisfactory rating shall be as follows:

15 a. If the employee is on a step on the salary schedule other than Maximum,
16 that employee, in the year after receipt of a satisfactory rating, shall move one step from the step
17 he/she was on in the year of the unsatisfactory rating. For example: 2007-2008 Step 2.
18 Unsatisfactory rating at year end.

19 2008-2009 No raise in salary. Receive satisfactory rating.

20 2009-2010 Move to Step 3 of the 2009-2010 salary schedule (subject to the agreed
21 upon salary schedule structure)

22 b If the employee is on the Maximum step, that employee, in the year after
23 receipt of a satisfactory rating, shall receive the salary set forth on the schedule for that year.

24 **MEMORANDUM OF UNDERSTANDING**

25 **RETROACTIVITY**

26 All changes incorporated into this contract, other than wages and contribution towards
27 health premiums and vision care reimbursement, shall be effective on the date the contract is
28 signed, unless specifically stated otherwise in the contract. Salaries and wage rates contained in
29 Exhibits "A" through "D", the contribution towards health care premiums in Article 25, and vision
30 care reimbursement in Article 25, shall be effective September 1, 2007, for persons currently
31 employed at the date the contract is signed. Rates as listed in Article 31 shall be effective following
32 the signing of the contract. New salaries and wage rates shall be included in the pay for the pay
33 period during which the contract is signed. All retroactive adjustments shall be completed no later
34 than 45 days after the payment of new salaries and wages.

[During the term of the September 1, 2016, and August 31, 2019, Collective Bargaining Agreement, this Retroactivity Memorandum of Understanding will have no force or effect.]

MEMORANDUM OF UNDERSTANDING

ELEMENTARY TEAM LEADER

Members asked to fulfill the functions of an Elementary Team Leader, which would involve duties including, but not limited to, the ordering of supplies, curriculum recommendations and Team coordination, shall no longer be compelled to engage in such duties, and such duties will remain vested exclusively with the Building Principals.

1 **MEMORANDUM OF UNDERSTANDING**
